

FINAL RESULT

The final result for the Zespri Producer Vote 2024, for which online and postal voting closed at 12 noon on Thursday 5 December 2024, is as follows.

Resolution: That growers support the allocation of up to 420 additional hectares of SunGold Kiwifruit per year over six years across Italy, France, Japan, South Korea and Greece, subject to annual review by the Zespri Board to confirm forecast demand remains ahead of supply and the provision of annual reporting to growers.

	Producer Vote	Producer Vote Percentage	Fruit Weight Vote (Kgs)	Fruit Weight Vote (Kgs)Percentage
For	1,803	90.60%	414,146,464	93.29%
Against	187	9.40%	29,805,453	6.71%
	1,990	100%	443,951,917	100%
Blank	3	-	242,388	-

For the resolution to be carried at least 75% of producers by entity and at least 75% by fruit weight must vote in favour of the resolution.

As 90.60% by producer entity and 93.29% by fruit weight have voted in favour of the resolution, I declare the resolution is successful and has been carried.

Voter return. A total of 1,993 producers by entity voted representing 72.21% of eligible electors. The fruit weight return was 444,194,305 kgs being 84.36% of total fruit weight.

Dated at Tauranga this 10th day of December 2024.
