- (a) the receipt by KNZ of any complaint made to it in writing, by any person, alleging a failure by ZGL to comply with any of the matters referred to in Regulation 33(1)(b)(i)-(iii);
- (b) the receipt by KNZ of a report made to it in writing by ZGL advising that there may have been a failure by ZGL to comply with any of the matters referred to in Regulation 33(1)(b)(i)-(iii); or
- (c) the formation by KNZ of a view that there may have been a failure by ZGL to comply with any of the matters referred to in Regulation 33(1)(b)(i)-(iii).

6.1.2 Following receipt of a complaint under clause 6.1.1(a), a report under clause 6.1.1(b), or of information that may lead to the formation by KNZ of a view of a possible failure to comply by ZGL under clause 6.1.1(c), the Executive may decide that:

- (a) the complaint, report, or information relates to matters that are outside the scope of KNZ's functions and powers under the Regulations, such that no further action should be taken;
- (b) compliance advice should be given to ZGL as the appropriate response, with no further action taken; or
- (c) the complaint, report, or information should be referred by the Executive to KNZ to determine whether to proceed under clause 6.1.4 or clause 6.1.5.

6.1.3 If the complainant or ZGL disagree with a decision of the Executive under clause 6.1.2(a) or (b), the complainant or ZGL may require the complaint, report,

or information to be referred to KNZ to determine whether to proceed under clause 6.1.4 or clause 6.1.5.

6.1.4 Upon the occurrence of an enforcement event, and irrespective of any decision by the Executive under clause 6.1.2 and whether the complainant or ZGL disagree with that decision or not, KNZ may at its sole discretion conduct an investigation in accordance with the enforcement procedures contained in clause 6.3.

6.1.5 Upon the occurrence of an enforcement event, and irrespective of any decision by the Executive under clause 6.1.2 and whether the complainant or ZGL disagree with that decision or not, KNZ may, at its sole discretion prior to conducting an investigation, carry out a preliminary assessment to establish whether or not it considers there are sufficient grounds to justify an investigation under the enforcement procedure in clause 6.3. If KNZ decides that there are sufficient grounds, it may carry out an investigation under clause 6.3. Where KNZ carries out a preliminary assessment:

(a) KNZ may, and to the extent it considers necessary and possible, notify ZGL of the nature of the complaint or information and any outcome;

(b) KNZ may request that ZGL and/or the complainant provide any additional information which KNZ considers may assist it in undertaking the preliminary assessment.

6.2 **Conduct of KNZ in carrying out the Enforcement procedure**

6.2.1 KNZ shall regulate its own procedure in a way that:

(a) complies with the rules of natural justice; and

(b) ensures that the enforcement procedure is carried out in a manner that is efficient and avoids unnecessary delay or cost.

6.3 **Enforcement procedure**

Purpose of an investigation

6.3.1 The purpose of an investigation conducted under this enforcement procedure is to determine whether ZGL has, on the balance of probabilities, failed to comply with any of the matters referred to in Regulation 33(1)(b)(i)-(iii).

Notice of an investigation

6.3.2 As soon as KNZ is able to do so in the context of an investigation under this enforcement procedure, KNZ shall give notice of the investigation to ZGL and to the complainant.

- 6.3.5 KNZ may, in its sole discretion, give ZGL and the complainant the opportunity to make submissions to KNZ prior to issuing a notice of investigation update.

Obtaining information

- 6.3.6 KNZ may require ZGL, within set timeframes, to make submissions, respond to questions, supply information in ZGL's possession or control in accordance with Regulation 46, and supply any statements, reports, and agreements in accordance with Regulation 20(1)(b).
- 6.3.7 KNZ may request information, including but not limited to correspondence, reports, agreements, or statements, from any other person who may have or hold relevant information in relation to the investigation.
- 6.3.8 KNZ will ensure that ZGL and the complainant have an opportunity to respond to information (subject to clause 8) received from any person during an investigation.
- 6.3.9 Nothing in clauses 6.3.6 to 6.3.8 or otherwise in this Authorisation limits the power of KNZ to obtain information under the Regulations including, but not limited to, as part of KNZ's monitoring function for the purpose of consideration by the Executive whether to make a referral under clause 6.1.2(c).

Provisional and Final Decision

- 6.3.10 Before KNZ makes any final decision in respect of whether ZGL has failed to comply with any of the matters referred to in Regulation 33(1)(b)(i)-(iii), a written provisional decision, with reasons, shall be made available to ZGL and to the complainant.
- 6.3.11 KNZ shall provide ZGL and the complainant with a reasonable opportunity to respond to the provisional decision.
- 6.3.12 KNZ shall provide its final decision in respect of whether ZGL has failed to comply with any of the matters referred to in Regulation 33(1)(b)(i)-(iii), with reasons, in writing, to ZGL and to the complainant.

6.3.13 KNZ may publish its final decision, with reasons.

6.4 Remedies
